RIGHT WAY
TO CARE OF
YOUR SKIN

ALİYE OKÇU KOZMETİK SANAYİ TİCARET LTD. ŞTİ. has been exporting cosmetic products to many countries with its own formulas under the registered brand name PURGÈNE, as well as providing consultancy to many brands and private label products to many companies since 2015.

As the founder of the company, I started in the cosmetics industry in 2000 with my Chemistry training; As of 2015, I have gathered all my experiences, from laboratory to production, from marketing to export, under our own brand with our own formulas.

As Aliye Okçu Kozmetik, we always attach great importance to innovation with our PURGÈNE brand, and we aim to always be one step ahead of the leading and big brands of the sector by using the latest trend raw materials in our formulas. Our products are mainly; although blemish creams and anti-aging products are intimate products specially formulated for women, we have a wide range of products and much more pharmaceutical experience. We aim to grow together with you by combining this knowledge with the sales and marketing power of our valued collaborators.

WE ARE GETTING BIG WITH OUR PARTNERS

Aliye OKÇU

PREBIOTIC INTIMATE FOAM
200ml pH 4.2
